

Ford, Chevrolet or Dodge that meet these specs

Engine - 6.2L SOHC 2-valve engine (F-250)

No other heavy-duty pickup delivers more standard gas horsepower and torque than the 6.2L V8 in the Ford Super Duty®.*

- Best-in-class standard gas 385 horsepower and 405 lb.-ft. of torque*
- Single-overhead-cam design and dual-equal variable cam timing — advanced features that help optimize power through the entire power range
- unleaded gasoline, or (E85 (85 percent ethanol, 15 percent gasoline) if available, or any mix of the two
- For conversion to compressed natural gas (CNG) or propane autogas, the CNG/Propane Gaseous Engine Prep Package is available for F-250 **
- A Super Duty with the CNG/Propane package can be upgraded with aftermarket upfits to bi-fuel capability, enabling it to run on either unleaded gasoline or natural gas

*Class is Full-Size Pickups over 8,500 lbs. GVWR.

**Vehicle will be equipped with the standard factory gasoline fuel system. This package does not include compressed natural gas/propane fuel tanks and lines, which are sold separately.

Transmission - TorqShift® Heavy-Duty 6-speed SelectShift™ Automatic

The Ford 6-speed TorqShift® SelectShift® automatic transmission is engineered for high-torque performance and dependability. Big, strong gears can easily take on the heavy torque demands of either the standard 6.2L gas V8 or the available 6.7L Power Stroke® Turbo Diesel. Fewer rpm are required because the torque converter locks up at lower speeds.

The available live-drive power takeoff (PTO) provision features split-shaft capability.* An output gear is connected directly to the engine crankshaft to power an aftermarket PTO anytime the engine is running, whether you're in motion or at a stop, and lets you use applications like a salt spreader, tree-trimming equipment and many others. Split-shaft capability allows multiple accessories to be operated at the same time with the vehicle stopped.

*Requires 6.7L Power Stroke® V8 Turbo Diesel engine and compatible aftermarket power takeoff unit.

Airbags — Safety Canopy® System with roll-fold side-curtain airbags

In addition to the driver- and passenger-side front airbags and front side-impact airbags, Super Duty® Chassis Cab provides the Safety Canopy® System with its state-of-the-art roll-fold technology.* All Chassis Cab models include six standard airbags.

*Always wear your safety belt and secure children in the rear seat, where available.

Trailer Sway Control

Trailer sway control (TSC) builds on the AdvanceTrac® with Roll Stability Control™(RSC®) system to help maintain trailer control through selective braking and adjusted engine power.³⁹ The result is noticeable stability and control, which provides greater driver confidence when towing large loads.

Interior Features

- Seats - Front, Vinyl 40/20/40 Split Bench
- Seats - Front, Manual Lumbar Support, Driver Side
- Seats - Rear, Vinyl 60/40 Fold-Up Bench Seat (SuperCab)
- Seats - Rear, 60/40 Flip-Up/Fold-Down Bench Seat (Crew Cab)
- Air Conditioning – Manual Temperature Control
- Audio - AM/FM Stereo, Digital Clock, Two Speakers
- Dash-top tray
- Dome Lamp – door-activated instrument panel switch operated with delay
- Door Trim – armrest/grab handle and reflector
- Floor Covering - black vinyl
- Grab handles – driver and front passenger and roof ride handles; front passenger (also over rear doors with Crew Cab)
- Headliner – color coordinated cloth
- Instrument Cluster - multifunction message center
- Instrument panel – color coordinated
- Instrumentation with tachometer and Message Center including odometer, trip odometer, distance-to-empty, average fuel economy, engine hour meter and warning messages
- Map lights – dual (front and rear with Crew Cab)
- Powerpoint - auxiliary, 2 , instrument panel mounted
- Rearview Mirror - 11.5" day/night
- Steering Wheel - Black vinyl
- Storage – secondary glove box (4x4 requires Electronic-Shift-On-the-Fly)
- Sun visors - color coordinated vinyl, single driver with pocket, single passenger with mirror insert
- Tilt/telescoping steering wheel
- Windshield wipers – interval control

Exterior Features

- Bumpers, front and rear - black painted steel with front grained molded-in-color top cover and black lower air dam
- Door Handles - black
- Grille - black bar-style
- Headlamps - Dual beam halogen
- Lights – Pickup box and cargo area
- Mirrors - Manual Telescoping Trailer Tow with Manual Glass
- Pickup box – partitionable and stackable
- Tailgate - Tailgate Assist™ and quick-release
- Tie-down hooks – pickup box (four with 6 ¾' box; six with 8' box)

- Tow hooks – (2) front, black
- Moldings - tailgate and box rail, black
- Glass – solar tinted
- Window - rear, fixed
- Window - flip-open rear quarter (SuperCab)

Power and Handling

- Engine - 6.2L SOHC 2-valve Flex Fuel V8 engine (F-250/350)
- Transmission - TorqShift® Heavy-Duty 6-speed SelectShift™ Automatic
- Alternator - Single, Heavy-Duty, 157-amp
- Axle - Twin I-beam front axle with coil spring suspension – 4x2 (F-250, F-350)
- Axle - Mono-beam front axle with coil spring suspension – 4x4 (F-250, F-350)
- Brakes – 4-wheel power disc brakes with Anti-lock Brake System (ABS); vacuum-boost (SRW)
- AdvanceTrac® with Roll Stability Control® (RSC) – SRW
- Trailer Sway Control
- 26 Gallon Fuel Tank (Diesel Engine) – 137" Wheelbase
- 26 Gallon Fuel Tank (Diesel Engine) – 142" & 156" Wheelbase
- 35 Gallon Fuel Tank (Gas Engine)
- Shock absorbers – heavy-duty gas
- Stabilizer bar – front
- Stationary Elevated Idle Control (SEIC)
- Steering – power
- Steering damper
- Tire Pressure Monitoring System (SRW only; excludes spare)
- Trailer Hitch Receiver – 12.5K Built Ford Tough® Trailer Hitch Receiver (SRW)
- Trailer Tow Package (F-250/F-350)
- Transfer Case - Manual 4-Wheel-Drive System with manual locking hubs (4x4 models only)
- Wheels - 17" Argent-Painted Steel (SRW)
- LT245/75Rx17E BSW A/S (5-SRW / 7-DRW) (XLT, Lariat, King Ranch® and Platinum require DRW)
- Tire - Spare, wheel, lock and frame-mounted carrier

Safety

- Airbags — front seat front with passenger side deactivation switch (Regular Cab and SuperCab only)
- Airbags — front seat side
- Airbags — Safety Canopy® System with roll-fold side-curtain airbags
- Belt-Minder®, chime and flashing warning light on instrument cluster if belts not buckled
- Child tethers (Regular Cab, front passenger and all rear seating positions)
- Seat Belts - color coordinated with height adjustment (front outboard seating positions only)
- SOS Post Crash Alert System
- SecuriLock® Anti-Theft Ignition
- MyKey®
