STANDARD FEATURES

Mechanical

- Pickup box
- Vortec[®] 6.0L Variable Valve Timing V8 SFI engine
 - E85-capable¹ engine is the standard workhorse for the Silverado[®] 2500HD
 - 360 hp @ 5400 rpm and 380 lb-ft of torque @ 4200 rpm
 - Variable Valve Timing (VVT) optimizes high-end power and low-end torque
 - Does not include E85 capability when pickup box delete is ordered
- ¹ E85 is a combination of 85% ethanol and 15% gasoline. Go to www.chevy.com/biofuels (<http://www.chevy.com/biofuels>) to see if there is an E85 fuel station near you.
- Heavy-duty 6-speed electronically controlled automatic transmission
 - Overdrive gear for smooth, efficient operation
 - Tow/Haul mode and Auto Grade Braking that reduce the amount of conventional braking needed while towing or traveling downhill to help reduce brake wear
 - Cruise control that maintains a set speed up and down grades, even when towing a heavy trailer in mountainous terrain (works with Tow/Haul mode and Auto Grade Braking)
 - Requires the Vortec[®] 6.0L V8 SFI engine or the 6.0L V8 SFI Gaseous Compressed Natural Gas (CNG) engine

- 4.10 rear axle ratio (gas engine) Requires Vortec 6.0L V8 SFI engine or 6.0L V8 SFI Gaseous CNG (Compressed Natural Gas) engine.
 - Standard Suspension Package Designed to maintain handling and ride quality while towing a trailer or carrying a load, this suspension package includes:
 - 51 mm twin tube shock absorbers
 - 33 mm front stabilizer bar
 - 9500-lb. GVWR
 - Silverado[®] 2500HD provides the power to get the job done
 - 9500-lb. GVWR¹ requires the Vortec[®] 6.0L V8 SFI engine or the 6.0L V8 SFI Gaseous engine
 - Also requires 4x4 on Regular Cab models
- ¹ When properly equipped; includes weight of vehicle, passengers, cargo and equipment.
- High-capacity air cleaner
 - Thicker construction helps to trap more dirt before it can enter the air intake
 - Included with available Z71[®] Off-Road Package
 - Transfer case with floor-mounted shifter
 - Lets you manage your drive mode as conditions demand
 - The lever shifts between 2WD High (for minimum wear and tear in everyday street and highway driving), 4WD High (for extra traction on snow and ice), 4WD Low (for maximum 4-wheel power and extra torque in the toughest situations) and Neutral (for towing your Silverado[®])
 - Requires 4WD models
 - Automatic locking rear differential No other competitor in Silverado's class offers an available fully automatic locking rear differential:
 - The Eaton[®] Locker senses a difference in wheel speed of approximately 100 rpm
 - It locks to turn both rear wheels in unison for added traction
 - Four wheel drive
 - External engine oil cooler
 - Heavy-duty air-to-oil cooler
 - Integral to driver-side of radiator tank
 - External transmission oil cooler Heavy-duty air-to-oil cooler.
 - Battery, heavy-duty 720 cold-cranking amps/80 Amp-hr, maintenance-free with rundown protection and retained accessory power
 - 150-amp alternator
 - Efficiently handles the electrical demands of a heavy-duty truck
 - Ensures the power you need for quick, sure starts
 - Frame, fully-boxed Hydroformed front section.
 - Recovery hooks – front
Frame mounted Black.
 - Steering, Recirculating Ball with smart flow power steering system
 - 4-wheel antilock, 4-wheel disc brakes
 - Segment-exclusive DURALIFE brake rotors
 - Power-assisted heavy-duty brake system offers confident stopping power even under heavy payloads or when towing
 - Disc brakes at all 4 wheels reduce heat buildup and brake fade, maintaining braking performance
 - Antilock brakes are designed to help reduce wheel lockup and help maintain steering during hard braking on most slippery surfaces
 - Exhaust, aluminized stainless-steel muffler and tailpipe

Interior

- Audio system with 4.2" diagonal color screen with AM/FM, USB ports and auxiliary jack
This 4.2" diagonal color screen AM/FM radio lets you listen to your favorite music through your truck's sound system. To accommodate a variety of media, the system includes:
 - An auxiliary jack
 - USB ports¹
- ¹ Not compatible with all devices.
- XM Satellite Radio, delete
 - 6-speaker audio system Features 6 speakers positioned throughout the cabin for great sound and an enjoyable listening experience.
 - Front 40/20/40 split-bench seat
This 3-passenger split-bench seat is available in either cloth or vinyl. It features:
 - Driver and front passenger seats that include a manual recline with cloth seat (fixed with vinyl)
 - Head restraints in the outboard seating positions
 - A center seatback that doubles as a fold-down armrest with storage
 A driver lumbar support that is manually adjustable with the cloth seat; a fixed lumbar is included with the vinyl seat.
 - Seat trim, Vinyl
 - 60/40 rear folding bench seat The seat features a child seat top tether anchor.
 - Manual Tilt-Wheel[™] steering column

- Allows the steering wheel to be manually adjusted up or down
- Offers enhanced driver comfort while on the road and when entering/exiting the truck
- Steering wheel
 - Includes manual Tilt-Wheel™ steering column
 - Adjusts up or down and securely locks into place
- Graphite-colored rubberized-vinyl floor covering The Graphite-colored rubberized vinyl floor covering is a practical way to deal with mud, snow and dirt.
- Instrumentation, 6-gauge cluster featuring speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure
- Driver Information Center This 3.5" diagonal monochromatic display provides the driver with basic vehicle information as well as any warning messages.
- Power windows Includes:
 - Express-Down and Express-Up features on driver window
 - Express-Down feature on all other windows
 - On Work Truck Regular Cab requires available WT Convenience Package
- Power door locks Standard.
- Cruise Control
 - This standard feature enables you to maintain a minimum speed of approximately 25 mph or greater
 - Includes set and resume speed buttons conveniently located on the steering wheel
- Single-zone manual air conditioning Provides all occupants with a cool, comfortable driving environment.
- Assist handle, front passenger Also included on driver-side on A-pillars.

Exterior

- 17" painted steel wheels
 - 17" x 7.5" spare steel wheel included
 - The spare wheel is not included with pickup box delete unless a spare tire is ordered
- LT245/75R17E all-season, blackwall tires
 - Include an LT245/75R17E all-season, blackwall spare tire
 - A spare tire is available to order when pick-up box delete is ordered
- Tire carrier lock
 - Helps keep spare tire secure
 - Utilizes same key as door and ignition
- Front chrome bumper
- CornerStep rear bumper The CornerStep feature at each end of the rear bumper helps make it easier to get into and out of the pickup bed, even with the tailgate open.
- Rear chrome bumper CornerStep feature at each side of the rear chrome bumper gives you a boost up when loading the pickup bed or securing cargo.
- Chrome grille surround A chrome grille surround encircles Silverado 2500HD's grille.
- Door handles, Black Standard on Work Truck models.
- Lamps, cargo area, cab mounted with switch on center switch bank
- Outside manual-folding Black mirrors
- Solar-absorbing glass
 - Tinted glass helps minimize the effects of solar rays entering the cabin
 - Helps maintain a more comfortable interior temperature
- Door handles, Black
- Tailgate and bed rail protection caps, top
- Locking tailgate
 - EZ Lift and Lower Locking Tailgate
 - All Silverado tailgates now include a tailgate lock, utilizing the same key as the ignition and door

Safety

- StabiliTrak, stability control system with Proactive Roll Avoidance and traction control includes electronic trailer sway control and hill start assist
- Daytime Running Lamps Includes automatic exterior lamp control.
- Air bags¹
 - Crew Cab: single-stage frontal and thorax side-impact, driver and front passenger, and head curtain side-impact, front and rear outboard seating positions
 - Double Cab and Regular Cab: Frontal Airbags- Driver single stage and Front Passenger dual-stage; Thorax side-impact, seat mounted, both driver and front passenger; Head-curtain front and rear outboard seating positions
 - Passenger Sensing System - Infant only suppression for passenger and passenger seat belt reminder status displayed on overhead console
- ¹ Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.
- OnStar, delete also deletes driver information center compass
- Tire Pressure Monitoring System

- Alerts the driver to a low tire pressure condition in 1 or more tires
- Uses sensors mounted at each wheel to monitor tire air pressure (does not apply to spare tire)
- Transmits the tire pressure reading to the Driver Information Center (DIC)
- Illuminates a warning light and sends a message via the DIC to inform the driver of the low tire pressure

Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details.
